## NOTE / NOTES

\*Oricare dintre rapoartele de mai sus poate fi livrat si in **varianta personalizata** (se compara salariile LUNARE si veniturile ANUALE din compania client cu rezultatele din raportul considerat baza de comparatie si se evidentiaza locul acestora in grila, pentru fiecare post). Personalizarea raportului presupune un cost aditional de **50 EURO / raport**.

*\*Each of the above reports can be delivered as a **customized report** (the MONTHLY salaries and ANNUAL income of the client company are compared with the data from the report chosen as reference, the results being highlighted for each position). Customizing the report implies an additional cost of **50 EURO / report**.*

\*\*In cazul companiilor care participa cu **mai multe unitati de productie din locatii distincte**, se acorda urmatoarele discounturi:

- 2 structuri distincte de productie – **10%** discount la costul total al rapoartelor comandate
- 3 structuri distincte de productie – **15%** discount la costul total al rapoartelor comandate
- 4 sau mai mult de 4 structuri distincte de productie – **20%** discount la costul total al rapoartelor comandate

*\*\*For companies participating in the study with **more production units from different locations**, we offer the following discounts:*

- *2 distinct production units – **10%** discount from the total cost of the ordered reports*
- *3 distinct production units – **15%** discount from the total cost of the ordered reports*
- *4 or more than 4 distinct production units – **20%** from the total cost of the ordered reports*
